

RESTORATION

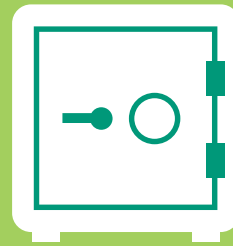

VS

REPLACEMENT

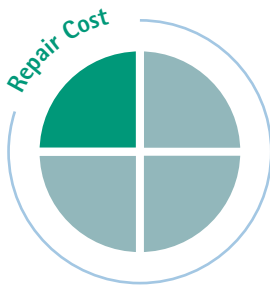

£850 SAVED PER CLAIM

On average repairing rather than replacing saves in excess of £850 per claim

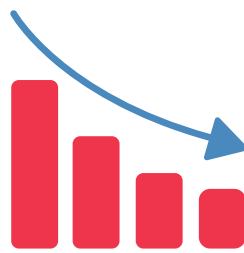

SAVINGS OF £1,000,000

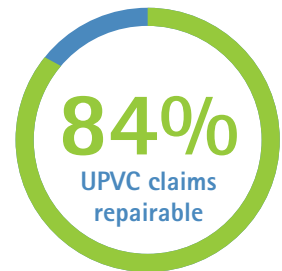

If insurers were to use Plastic Surgeon for 100 claims per month, over 12 months

REPAIR COST IS 1/4 OF THE COST OF REPLACEMENT

CLAIM LIFECYCLE TIMES REDUCED BY UP TO 80%

ONLY 16% OF ALL UPVC CLAIMS ARE IRREPARABLE

3,474 TONNES OF LANDFILL SAVED

that's equivalent to...

267 DOUBLE DECKER BUSES

ENVIRONMENTAL IMPACT

The impact of replacement on the environment has to be a huge consideration for both insurers and customers – in 2017 Plastic Surgeon enabled 3,474 tonnes of landfill to be saved

LANDFILL SAVINGS

If we were to take on 100 additional claims per month from our insurance clients, an extra 22 tonnes of landfill would be saved every year

SEVERAL MAJOR INSURERS JOIN US IN 2018

Just this year Plastic Surgeon has begun working with a number of top UK Insurers who are seeing the benefits of a restoration approach
